

WCFINDER

	 <p>1</p>		 <p>2</p>		 <p>3</p>	
1	It's urgent that a man or woman can't find the toilet	2	His friend pulled out a cell phone and told him that the app could help him find a toilet service provided by restaurants, hotels or households.	3	They decided to go to the toilet with an optimal distance and price.	
	 <p>4</p>		 <p>5</p>		 <p>6</p>	
4	Pay and use the toilet.	5	Merchants, who provide the toilets, are also happy because they have extra income.	6	More and more households or businesses join this app
